Of Local Interest

IN FROM THE SUBURBS—L. R. Lewis, a well known resident of Mesa City, Phoenix most eastern suburb, spent yesterday in this city.

FORESTER'S DANCE—The Foresters will have their weekly dance at Eastlake park tonight. This is an event that means good music and an informal good time.

TWO UNCLAIMED WHEELS—W. E. Thomas reports two wheels at his home, on North Center street, for which he wishes that the owner would call. One is a Tribune; the other a Columbia.

FUNERAL ANNOUNCEMENT—Frances Eugene McCrea, the ten-months' and nineteen days' old child of Mr. and Mrs. Frank McCrea, will be held from the family residence, at 1107 Woodland avenue, at 10 o'clock this morning.

PRESCOTT VISITOR—Eugene Neumann of Prescott, who is arranging with the Arizona Auction company for the sale of his summer resort grounds, Edgewood, under the shadow of Prescott, was a business visitor here yesterday.

FOURTH CELEBRATION—The Fourth celebration that the Foresters are going to have at Eastlake park on July 5th, will offer some altogether new attractions. The program has not been fully arranged, but will probably be ready for publication the first of next week.

EMANCIPATION DAY CELEBRATION—Tomorrow there will be an excursion on the S. P. to Tucson on the Emancipation Day celebration in that city. The special train will leave this city at 7:30 in the morning and will leave Tucson on the return trip at 10:30 p.m.

WATER AND CANALS—Water will be turned into the Salt and Appropriators canals this morning for sixteen hour runs to the quarter section. There will probably be a little surplus in the Maricopa today and a little in the Arizona on Saturday. The water in the river remains at the same stage as for the preceding days.

COLISEUM LAST NIGHT—The "Coy Widdow" at the Coliseum last night drew a large crowd and was cleverly handled. The comedy is intense, monologue work high class and climaxes smoothly worked out. The new sketch team, Dawson & Whitfield is the feature of the week's bill.

HE SAYS HE IS FROM PHOENIX—A young man who says that his name is J. K. Brady, and that his home is in Phoenix, was arrested at Kansas City on Wednesday for performing the "Raffles" act. He robbed the house of a woman of jewelry worth \$1,000, and was captured by a huckster. He politely returned the booty and begged that the matter might be allowed to drop. The youth is nineteen years old. Inquiry made here yesterday failed to bring out that anybody of that name lives here.

A MORNING PARTY—Miss Mattie Garnett gave a morning party yesterday in honor of Miss Alice Greer, who is to be married to Marion Kays next week. The guests assembled at 9 o'clock and remained until 1 p.m. The game of hearts was played there being four tables. This was followed by the game of "luncheon" which was surely a delightful part of the program.

RETURNED FROM FLORENCE—Mrs. A. J. Gosart returned from Florence yesterday, where she has been looking after her interests in the Territorial prison contract. She reports things as being quite lively and has found it necessary to add several more plumbers to rush the work. Since the death of her husband, Mrs. Gosart has taken entire charge of the Gosart Plumbing Co., and has met with extraordinary success.

CLERK'S PICNIC—Today is the day set for the clerk's picnic at Eastlake park. A special car will start from the central part of the city at 12:20 for those who will take lunch and go direct from their work to the scene of the festivities. A large number are expected to attend and there will be ample entertainment provided for all. Several ball games will be played by the men from behind the counter and there will be dancing in the pavilion to the music of the Industrial Liberty band.

BACK FROM CHICAGO—George Pinosh returned yesterday morning from a visit of several weeks in Chicago which had the honor to be his home for many years. But it has lost him now for good and always. He went to Los Angeles and got a taste of real western life and atmosphere, then came over to Phoenix about a year ago since which time he has had a banquet of it until he went east. He says Chicago is still a very interesting town and he confesses to having had a good time but always there was the abominable weather of one bad kind or another, mostly rain. He admits that Chicago is a good place to visit in, but if one wants to live he has to come to Phoenix.

TO COAST BY AUTO—L. J. Freeman and Clyde Wilson, of the Phoenix Auto company, will leave this city a week from next Saturday on a trip to Los Angeles. They will make the trip in Dr. Redeville's auto, which they are taking to the coast for his use during the summer. They will go to Yuma by the way of the King of Arizona mine, and will make some recommendations concerning the route to be covered in the automobile race next fall.

ANOTHER ELECTRIC COMPANY—It is understood that a number of citizens are engaged in forming a corporation for the purpose of asking the council for a franchise for the furnishing of electric light and power in the city. It is reported that a franchise will be applied for at the meeting of the council to be held next Saturday night. Only a few of the gentlemen concerned have been named, and according to reports, it is an entirely different set of men from those participating in the recent movement for a new company, with which the Pacific Gas & Electric company effected a compromise.

THE CAPTURE OF A BUM—Yesterday evening a hobo obtained some money from a man at Second and Washington streets, and when the latter said that he would send a cop after him, the hobo started away on a fast walk, which soon developed into a dog-trot. About that time Constable Eby hove in sight and a crowd began to gather. The tramp, thinking one of the foot men was an officer, dashed down the alley toward the ice factory, the crowd following; but there was not one of the number that could compete with the runner, who kept looking back over his shoulder to observe the widening distance. He apparently took no notice of a man who was riding down the alley on a bicycle. That was the officer, who quickly overtook the fugitive and landed him in jail.

NEW SERVICE TO IRON SPRINGS—Beginning next Saturday and continuing throughout the summer season there will be a special train on the Santa Fe which will leave this city every Saturday afternoon at three o'clock to accommodate those who may desire to spend the Sabbath in Iron Springs or Prescott. The train will reach Iron Springs in time for the excursionists to join in the dance Saturday night and to allow them to secure a cool night's

The special tickets which are sold allowing five roundtrips for \$20.00 will be in particular demand under the new schedule. Those who for business reasons are compelled to remain in the valley during the summer will be offered a convenient opportunity to reach the Springs and to enjoy the coolness of the high altitude and still be able to get away for the day without losing any time for their business.

J. ERNEST WALKER DIVORCED—Mrs. Helena Walker was yesterday granted a divorce from J. Ernest Walker. There was no opposition to the granting of the divorce, though last Saturday Judge Ainsworth, representing the defendant, offered a demurrer to the complaint, which was overruled. Judge Ainsworth stated at the time, however, that the divorce would not be opposed. The whereabouts of Walker are not precisely known to the public at large. After his sudden disappearance from Phoenix two years ago it was said that he had gone to Mexico, and it has since been reported that he haws there. Judge Ainsworth, however, said that he had not been in Mexico, but that he is in a sanitarium in a large eastern city. He is understood to be in one of the New England states.

GRAND CANYON AND PRESCOTT EXCURSIONS—The Santa Fe excursions for which tickets will be on sale today and tomorrow to the Grand Canyon promises to be well patronized by the people of this city. The return limit will be the thirtieth of June and as stopovers are allowed at all points en route there is every probability that many will avail themselves of the opportunity to spend some time at the towns in the cool high altitude and to see the grandest of the wonders of America. Tickets for the excursion to Prescott will be on sale tomorrow and Sunday and the limit can be extended by the deposit of the ticket at the Prescott office and the payment of fifty cents. As the fare is only \$3.50 many will take advantage of the cheap rate. The Elks ball team which will play in the
